DE 12

Party !

What if your last day was the happiest day of your life? So let's party!

A young, innovative and unique multi-events company, that's offers to support you in the great moments of your life. Birthdays, weddings, funerals, baptisms, honeymoons, bachelorette parties, and so many other occasions to be the 'hero of the day'.

They take care of everything and transcend the event so that you have a unique memory.

Things don't always go as planned. A birthday is not always festive, and a funeral can hide a very beautiful ceremony.

- Four performers
- 50 minutes
- Ideal capacity : between 100 and 400 people (more or less is also possible)
- Can be performed outside and inside

Technical needs

- 10m X 10m square for the performance area.
- The venue provides a PA sound system.
- We provide microphones, mix table, props, the foam machine, coffin with wheels.
- If we tour with our bus we also provide the storage tent and wooden bleachers.
- Ask technical rider for more informations.

Technical Rider Party !

Street theatre Performance.
Can also be performed inside.
Length : 50 min.

A young, innovative and unique multi-events company, that's offers to support you in the great moments of your life. Things don't always go as planned. A birthday is not always festive, and a funeral can hide a very beautiful ceremony.

Logistics :

- 4 performers on tour + sometimes 1 stage manager.
- Dietary requirements : 1 végétarian and 1 people cheese allergic in the team
- Fit-up : 2 hours / Strike : 1 hour.

Show layout plan :

Toured :

Little tent : props and costumes storage zone.
(Size 3m X 2m ; Open on the back)

Coffin with little wheels.

Backline : musician furniture with :
Mix table, guitar, pedals, guitar amplifier,
microphone on stand.

EM : Foam Machine.

Wooden bleachers + carpet : we can adapt the
total capacity with bleachers + seats on the
carpet's floor : to 100 up to 500 people. If you're
expecting more people, it is possible, just
contact us.

Required :

Performance area : 10m X 10m square (33 X 33 feet) + 1 space of 2m in the back of the tent.
Flat and leveled ground suitable for rolling stage trucks (our coffin).

The venue provides a **PA sound system** (Speakers : SP1 / SP2 on the plan) of at least 800 watts and power cables.

The presenter will ensure a **220 volt electrical supply**, and a **water supply** near the venue.
We need a water supply within 50 metres from the show for the Foam Machine.

If the performance will be after sunset please contact the company to discuss the light plan.

We also need a **dressing room** near the performance place with a mirror, toilet, drinks and some delicacies.

Fracasse de 12 is an international French street theatre company based in Brittany. We produce shows for all the family where music, mime, clown, song and dance are mixed together to create unique moments.

Since 2011, we have toured France and other international venues with the show Hop!. Couched in the international language of dance, music, pantomime, clownery and poetry. it makes broomsticks sing, bins dance and the audience laugh.

Using minimal props, we perform humorous and engaging shows for all audiences in the street, theatre and other public venues.

We want to play theatre for everyone, everywhere and anytime. Public spaces are the place to meet people and to share together times of happiness, community and art.
